Old Business:

- Membership Update: all items are in, platinum members will receive Colt Bucks (can be used at Richland School Store and concessions put on by Coltbackers)
- Beef Raffle:
 - Send message out to student athletes reminding them to continue to sell tickets and remind them of the drawing date. Drawing will be held January 7, in between JV and V basketball games (7 prizes).
- Game Sponsors = continue to come in as games progress
- Read: Thank you notes from Richland Cross Country team and Wahpeton/Breckenridge football program for our support and donations
- Uniform rotation discussion -
 - Volleyball uniforms and Football uniforms need to be ordered by beginning Feb., discuss with juniors and coaching staff to get opinions and look for approval from administration

New Business:

- Speech Meet - where does this group fall under = Coltbackers or Music Parents? Have conversation with music parents as to where speech fits, especially since they are hosting a speech meet this year and need to plan.
- Possible Golf Tourney - do we consider having this again. Kevin Neagbour, along with the golf team, is willing to help coordinate. Plan to gather more information and/or maybe look to host with another organization
- Building sports programs; Coltbackers wants help with the goal of extending their seasons and offering programs in early elementary and onward. Options: look to hire/contract coaches that have a fundamental base that give instruction. Inquire with all coaches to know what their vision/plan for their entire program is.

Fund requests:

- Track warmups; more of travel gear rather than a required part of their uniform so not looking to fund as uniform request. Encourage them to possibly offer options for athletes to purchase as other teams do.
- Golf team request - look to purchase golf bags for the golf team; asking to purchase 10 at about \$150 each. Coltbackers willing to consider this request; may look to purchase for varsity athletes only, but would like more information first.
- Boys basketball fund request for travel gear is denied as athletes are expected to purchase on their own.
- Girls basketball regional tournament hospitality room, Coltbackers will contribute \$100. Check and see how we are recognized. Tom motion to approve, Jenny second.
- New chairs for sideline - look into cost.
- New basketball hoops for the elementary - look into cost to see how school proceeds first.

Tami motion to adjourn, Jenny second.

Next meeting: will meet briefly prior to raffle drawing on Jan. 7 and then will meet as needed after that
