### **Old Business:**

- Game Sponsors - continue to come in as games progress, but slow.
- Beef Raffle: Drawing will be held January 7, in between JV and V basketball games (7 prizes). Most tickets have been returned. Tom will have the checkbook for cash prizes.
- Uniform rotation discussion -
  - Volleyball uniforms - gathering different samples
  - Football uniforms - waiting to hear from coaches
- Building a sports program - Coltbackers would ask the school for use of facilities and equipment. Rely on coaches for planning, input, schedule, including HS athletes, etc. Start with basketball programs and move onto other sports as things progress.
- Possible Golf Tourney - Colfax Park Board has done a tournament in the past so reach out to them to see their thoughts on us joining them. Todd motion to reach out to Colfax Park Board to see if there is interest in us joining them. Tom second.
- End of season banquets - VB has completed their gathering, have not heard from other teams

### **New Business:**

- Uniform Storage Area/System - come up with a better plan/system to store them so they are more accessible
- Fund requests - none at this time
- Other needs to support athletic programs:
  - New chairs for sideline
  - Basketball Hoops at elementary - use existing backboard, reach out to property committee and share plan and let them know that we are interested in sharing the cost
- Look into getting small town (Abercrombie, Christine, Galchutt, Colfax) banners for gyms and memorabilia for commons and also look into gathering stats to post individual sports records (career and season) for HS athletes

Tami motion to adjourn, Tom second
